**The Kitchen People can create the kitchen  
of your dreams, whatever your budget**

**T**he Kitchen People has been in business for over 10 years and has numerous clients in Mid Sussex towns and villages, including Haywards Heath, Horsham, Lindfield, Cuckfield and Crawley, as well as further afield in Brighton and the surrounding areas.

We are a small, friendly team of designers who are passionate about kitchens and pride ourselves on the fantastic services we offer. We have worked on projects large and small – with budgets from £5,000 to £80,000 – and can cater for every client's need, without exception. Being independent from a single manufacturer means we have four ranges of stunning kitchen collections: Mereway, Second Nature, Schroder and English Rose. This gives our clients a selection of both traditional and contemporary kitchens to choose from.

Come and pay us a visit at our showroom in the lovely village of Lindfield, where parking is easy... and free! You will be pleasantly surprised at how competitive our prices are. Plus, you'll always enjoy exceptional service from our kitchen professionals.
